(Amended June 21, 2012, effective September 1, 2012.)

9.5. Sanctions. The court or hearing officer may impose appropriate monetary or other sanctions upon parties or attorneys who do not comply with this Rule 9, where the parties or attorneys have not shown good cause for failure to comply, or a good faith attempt to comply with this rule.

(Amended June 21, 2012, effective September 1, 2012.)

10.2. Electronic Records, Manner Provided. Information from electronic case management systems, including imaged documents, may be made available by electronic or paper reports, print outs, electronic files, imaged files, internal or external link to a primary or secondary data base, internet access, or by other means that provide the information or copies of documents without compromising the integrity of the electronic case management systems and data bases.

10.3. Electronic Records, Custom Request. When information in an electronic record is requested or sought in a form or in a manner other than the form or manner maintained by the Judiciary and made readily or routinely available, the Judiciary shall make a reasonable effort to provide the information in the form or manner requested or sought; provided that (a) direct access to any computer system or data base need not be granted, (b) the reporting or transmitting of data and/or the technical and administrative preparation to provide the data will not unreasonably interfere with the Judiciary’s operations and/or governmental functions, and (c) the requestor pays all charges for programming the computer systems to report the data, run the reports, and/or link and/or transmit the data to the requestor.

10.4. Confidential Records and Documents. 10.9. Duty to Report Damage or Alteration. If a record is damaged or altered while being accessed, inspected, or copied, the Clerk shall document the damage and report it to the administrative/chief judge, the Clerk, or the Administrative Director who may take such action as is appropriate.

10.10. Time to Make Record Available; Notice. Upon receipt of a request for an accessible record, the Clerk shall make the record available for inspection and copying within a reasonable time, subject to the court's or ADLRO's priority use of the record and the payment of fees, if any. If the request to inspect or copy cannot be accommodated within 10 business days, the Clerk shall notify the requestor and provide an estimated date when the record will be available for inspection or copying. If the request is for a confidential record and the requestor is not of the class of persons having a right of access to the confidential record under Rule 10.4 of these rules, the Clerk shall notify the requestor forthwith that the Clerk cannot provide the record without an order of the court for court records, or an order of the Administrative Director for ADLRO records. No later than 10 days after the Clerk's denial of a request for a confidential record, the requestor may move for access. The Clerk shall notify all parties of the motion. Within 10 days after notice of the motion for access any party may file opposition to the request.

(Amended June 21, 2012, effective September 1, 2012.)

10.11. Inspection and Copying Fees; Court Records. Fees for inspecting, copying, and transmitting copies of court records shall be charged in accordance with the provisions of Rule 2.2 of the Rules of the Circuit Courts, Rule 2.2 of the Rules of the District Courts, and Rule 45 of the Hawai'i Rules of Appellate Procedure. A court may waive costs and fees for copies of its record when justice so requires. Unless a waiver is granted or an exemption applies, no records or copies of records shall be released until full payment of fees for the current request, and any previous unpaid fees, are received.

10.12. Inspection and Copying Fees; ADLRO Records. Fees for inspecting, copying, and transmitting

copies of ADLRO records shall be in accordance with the Judiciary's Schedule of Administrative Fees.

10.13. Fees for Electronic Records. Fees for electronic access, for electronic downloading, bulk distribution, or compilation of electronic information shall be determined by the Administrative Director.

10.14. Judiciary Contractors. Where access to electronic or paper case records is necessary to the performance of any contract with the Judiciary, the Chief Justice or the Administrative Director may authorize access in accordance with the terms of the contract and applicable law.

10.15. Review of Action on Request for Record. A person or entity may seek review of a denial or grant of access to a record by petitioning the supreme court, in accordance with Rule 21 of the Hawai'i Rules of Appellate Procedure. If the record is confidential, the Clerk of the trial court or ADLRO, upon notice of the petition, shall provide notice of the petition to all parties to the case, shall file a copy of the Clerk's certificate of service on each party, and shall designate the certificate of service as confidential in the record of proceeding before the supreme court.

(Amended June 21, 2012, effective September 1, 2012.)

10.16. Requests for Bulk, Discrete, or Compiled Electronic Information. Requests for bulk, discrete, or compiled electronic information shall be made to the Administrative Director in accordance with Rules 10.17, 10.18, and 10.19 of these rules.

(a) The Administrative Director may grant requests for bulk, discrete, or compiled information from accessible electronic court and ADLRO records or from confidential records, provided (1) the bulk or discrete data distribution, compiling of information, and/or transmission of data will not unreasonably interfere with the Judiciary's operations and/or governmental functions, (2) the requestor pays all charges for programming the computers, linking systems, and transmitting the data, and (3) when required by law, access is approved by a court of competent jurisdiction. A requestor should not be granted direct access to any production computer system or data base in the usual course. The Administrative Director may take such actions as are necessary to protect the Judiciary's computer systems, data bases, and web sites from automated data mining or other threats to the integrity of the systems.

(b) Requests for bulk or discrete data or compiled information from electronic court and ADLRO records shall be made in writing to the Administrative Director or to the Administrative Director's designee.

(c) Requests for bulk, discrete, or compiled information shall be acted upon or responded to within a reasonable time.

(d) The Administrative Director may approve a request for bulk, discrete, or compiled information upon finding that (1) approving the request is consistent with these rules and any statutes that govern access to court records, (2) resources and technical capacity are available to prepare the information, (3) fulfilling the request is an appropriate use of public resources, and (4) distributing or compiling the information will not interfere with the Judiciary's operations and/or governmental functions. In lieu of the process set out in this Rule 10.17, the Administrative Director may require that requests for bulk, discrete, or compiled information be made to, and processed by, the Hawai'i Information Consortium.

(e) The Administrative Director shall require a requestor to pay reasonable charges to distribute bulk, discrete, or compiled information.

(f) Personal information shall be safeguarded. Except for data transmission to law enforcement agencies, a bulk, discrete, or compiled data distribution shall not contain complete personal information. A bulk, discrete, or

compiled data distribution may provide the last four digits of social security numbers, and zip codes or home addresses. The restriction on the release of personal information from court and ADLRO records may be waived only by the Administrative Director or the Administrative Director's designee.

(Amended June 21, 2012, effective September 1, 2012.)

(d) EXTRACTING INFORMATION. The Judiciary need not extract specific information from records maintained in electronic format when the Judiciary does not have the capacity or capability to do so. The Judiciary need not create reports to extract information from electronic resources, but, where such reports exist, the Judiciary shall provide them, unless providing the reports violates another part of these rules, court orders, or other law.

10.19. Electronic Court and ADLRO Records: Service Providers. The Judiciary may provide information through service providers subject to the following conditions:

(a) CONTRACT COMPLIANCE WITH SECURITY PROTOCOLS. Contracts between the Judiciary and information service providers shall comply with security protocols established by the Administrative Director. Contracts may not preclude the Judiciary from contracting with other information service providers or providing public access to records.

(b) REVIEW AND SEGREGATION OF RECORDS. Before records are provided to information service providers, the Judiciary may review, redact, and/or segregate records to filter confidential information from disclosure.

(c) DISCLAIMER REQUIRED. Contracts with information service providers shall state the Judiciary does not warrant the accuracy, currentness or completeness of the data.

(d) RELEASE AND INDEMNIFICATION. Any contract with an information service provider shall include a release and indemnification clause, (1) releasing the Judiciary and its officers and employees from liability for any information supplied and (2) indemnifying the Judiciary and its officers and employees in any lawsuit.

(e) INSURANCE REQUIRED. All information service providers who contract with the Judiciary shall be required to obtain liability insurance satisfactory to the Judiciary.

(f) CONFIDENTIALITY. Any contract with an information service provider shall include a provision that agrees to maintain confidentiality in accordance with the terms of the contract.
