At its core, the mission of the Archivists Round Table of Metropolitan New York, Inc. (A.R.T.) is to educate, promote, and advocate for the awareness and preservation of archival collections and the professionals who work with these collections.

The Mission Statements and Strategic Plans below will guide A.R.T. Committees for the next five (5) years or until June 2022. At that time, the Statements and Plans will be revisited and revised accordingly.
