

Hello!

Thank you for joining us for **Before This Was A Bar This Was A...** at Hanson Dry on May 20, 2018.

This event was sponsored by the **Outreach Committee of the Archivists Round Table of Metropolitan New York**. We hope that hearing about how bar owner Chris Buckley needed to access historical records made you think of how you might need or want to access historical records too. And, we hope that hearing local archivists, librarians, and oral historians talk about how to research buildings in your community, or the history of your neighborhood, will encourage you to visit your local archives or send us an email with questions.

Here's a reminder of the people and institutions you heard from today, as well as our contact info if you want to get in touch. It was great meeting you!
